

A photograph of a cornfield at sunset. The sun is low on the horizon, creating a warm, golden glow. The corn plants are in the foreground, with rows receding into the distance. The ProHarvest Seeds logo is overlaid in the center. The logo consists of the word "PRO" in black, followed by a green circle with a yellow leaf-like shape inside, and the word "HARVEST" in black. Below this, the word "SEEDS" is written in green, with each letter having a small registered trademark symbol (®) to its right.
